

## **HENG HARDWARE ENGINEERING PTE LTD**

*Manufacturer of Lightning Protection Accessories & Cable Glands  
Specialist in Lightning & Earthing Protection System  
Lightning Audit Management*

### **1/6/2010 The New Website**

Our new company website has been revamped! After months of preparation and artwork, it can now better serve both of local and overseas clients. Sections such as “news” and “importance of lightning and earthing protection” have been added in for a more informative approach. Feel free to check it out.

### **27/4/2010 Marina Sands Integrated Resorts**

Our company, HENG would like to congratulate Marina Sands for the grand opening of Marina Integrated Resort. HENG has been fortunate to be able to have a part in contributing to this prestigious project which will surely be remembered as one of the most important landmark in the history of Singapore.

### **10/4/2010 Trip to Brunei**

HENG visited our partners in Brunei this month as our continuous effort of strengthening our relationship with them. It has been a fruitful year 2009 in Brunei and we truly treasure the market over there. Only by understanding their feedback over there will HENG be able to carry on performing and improving for years to come. HENG believes in sharing their understanding and experiences in lightning and earthing protection. This will make the job easier and create awareness in this important aspect of protection for the local market.

### **15/3/2010 Trip to Myanmar**

In the month of March, HENG make a trip to Yangon, Myanmar. Efforts have been made to thank the strong relationship with the local partners for many years. Other than understanding the requirements of the local market, the staff also had the opportunity to visit the famous and beautiful temples in the capital.
